

Structural Reflexology Workshop

Arizona Reflexology Association is pleased to announce that Geraldine Villeneuve will be giving a 19 hour workshop on Structural Reflexology at SWIHA. (ARCB credits available)

Geraldine is the author of *Put Your Best Feet Forward*. She has been practicing Reflexology for 30 years. Geraldine trademarked Structural Reflexology® in 2013 as a revolutionary motion to promote foot health awareness by providing education for more healthful and therapeutic options to resolve foot pain and compensation in the body. Ultimately her goal is to encourage public awareness to rise in a culture of individuals with vital feet rather than a culture of foot-pain sufferers.
